Aviv Navot

Product & Visual Designer

I design digital products from early research through UX, UI and visual language, creating experiences that feel alive and memorable. I graduated with honors in Visual Communication from Shenkar Handesaim, and my role as a senior IDF instructor strengthened my leadership, teamwork and communication in dynamic environments. I believe great design balances precision, emotion and creativity.

EDUCATION

2024–2026 | Shenkar Handesaim | Visual Communication
Certificate of Excellence in both years
Focused on Product Design, UX/UI, Branding & Visual Design

2017–2020 | Hayovel High School
Full matriculation, awarded for academic excellence in all 3 years
Advanced level (5 units) in Dance Studies and Biology

SELECTED PROJECTS

Pinch | Product Design, UX/UI & Branding
- AI cooking platform built around Israeli chefs (Best Exhibition award)
- Shenkar graduation project, designed end to end
- Interviewed chefs Assaf Granit and Tzila Shifro; analyzed competitors
- Turned Assaf Granit's interview into an AI conversation in Claude
- Designed the UX, UI, brand and landing page (Lovable, then Figma)

Kiddoz | UX/UI Design & Independent Redesign
- Team project helping parents find activities for kids aged 3–10
- Team role: UX research, product ideation and UI design
- Independent redesign: a Figma design system, type and icons
- Refined every screen and the prototype, keeping the original UX

Blume & Co | UX/UI & Branding
- Designed a delivery app: catalog, favorites, tracking and checkout
- Created the brand identity for a floral and lifestyle boutique
- Designed logo, palette, AI-generated imagery and brand applications

WORK EXPERIENCE

2025–Present | Hostess | Nammos Restaurant

2022–2025 | Freelance Graphic & Brand Designer
Designed logos, brand identities and print materials for private clients.

2022–2024 | Medical Secretary | Dr. Israel Hendler

MILITARY SERVICE

2020–2022 | Artillery Instructor, MLRS | IDF
- Trained soldiers on launch and fire-control systems
- Promoted to Senior Instructor (Nov 2020) and ran the department
- Planned and assigned training and coordinated schedules
- Worked closely with senior commanders and officers

Base Commander's Award of Excellence | September 2021
